Protecting Your Data with Care

Your trust is our priority, and at Aecus Partners we are committed to safeguarding your privacy in a clear and transparent way. This Privacy Policy is designed to inform you about how we collect, use, and protect your personal information when you interact with our website and services.

Your Privacy Matters to Us

We collect personal data only when necessary, ensuring it is handled lawfully and responsibly. Personal data may include details such as your name, email address, location or other information that identifies you. Here's what you need to know:

- We use your data responsibly to enhance your experience with us
- Your rights regarding your personal data are always respected
- We ensure your data is kept secure with advanced measures in place
- Cookies are used to improve our website functionality and your browsing experience.

Key Principles of Data Handling

We follow strict principles to ensure your data is:

- Processed lawfully, fairly, and transparently
- Collected for specified, explicit and legitimate purposes and not further processed in a way incompatible with those purposes
- Adequate, relevant and limited to what is necessary for the purposes for which they are processed
- Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which it is processed
- Used to serve you better without compromising your privacy.

You can rest assured that data is handled with care at all times, and we only process it with your consent or for legitimate reasons. This is in accordance with Article 5 of European Regulation 2016/679.

Processing is lawful only if, and insofar as, at least one of the following conditions is met:

- The data subject has consented to the processing of his or her personal data for one or more specific purposes
- The processing is necessary for the performance of a contract to which the data subject is party or for the performance of pre-contractual measures taken at the data subject's request
- The processing is necessary for compliance with a legal obligation to which the controller is subject
- The processing is necessary in order to protect the vital interests of the data subject or of another natural person

- The processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller
- The processing is necessary for the purposes of the legitimate interests pursued by the controller or by a third party, unless the interests or fundamental rights and freedoms of the data subject which require the protection of personal data prevail, in particular where the data subject is a child.

How We Manage Your Data

We collect personal data only when necessary, ensuring it is handled lawfully and responsibly. Personal data may include details such as your name, email address and physical address.

Log the complaint

We may collect your personal data when you interact with our website or services. Whether it's through forms, subscriptions, or browsing, the data we gather is solely to enhance your experience.

We collect your personal details to ensure seamless communication with you. This information enables us to send you requested materials, address your inquiries, confirm your association with Aecus Partners, and take necessary steps to fulfil your requests. Details may include your name, title (e.g., Ms./Mr.), mailing address, phone number, email address, job title, and any additional information you provide through online or offline interactions. Understanding what interests you helps us tailor our services and investment offerings to your needs. This includes your preferences for specific products, languages, contact methods, and marketing communications. To deliver the services you require, we maintain a record of your service requests, completed transactions, correspondence, and any potential complaints. This ensures smooth service delivery and accurate validation of instructions. The various recipients of this personal data are managers and sales representatives.

Storage and Security

Your data is stored under stringent security measures for an appropriate duration, and we comply with legal requirements concerning data retention.
